

A photograph of a man with a beard and mustache, wearing a light blue button-down shirt, sitting at a desk with a laptop. He is smiling and looking towards the camera. The background is a blurred office environment with glass partitions and lights.

Revolutionize Your Procurement Process

Transform your procurement journey with an AI-enabled platform designed for efficiency and transparency.

A solid orange square located in the bottom left corner of the page.

procurezen

AI-ENABLED DIGITAL PROCUREMENT PLATFORM

ProcureZen, a flagship 'Make-in-India' IP initiative by Krya Solutions, revolutionizes procurement by digitizing and automating the entire sourcing and procurement lifecycle. Designed to seamlessly integrate with existing enterprise solutions, ProcureZen enhances process automation while safeguarding prior IT investments.

procurezen

AI-ENABLED DIGITAL PROCUREMENT PLATFORM

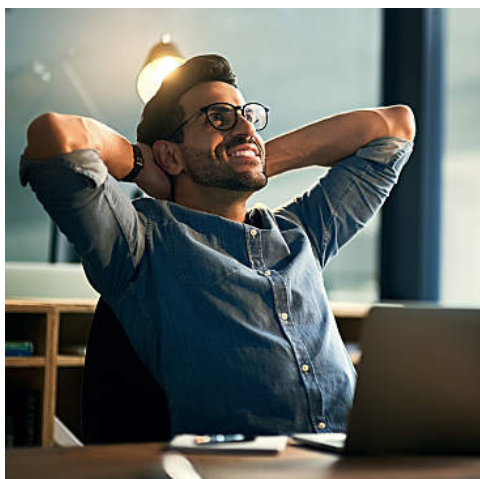

The ProcureZen platform empowers businesses to streamline procurement, foster buyer-supplier collaboration, and embrace paperless, transparent transactions – all within a secure, AI-driven ecosystem.

With ProcureZen, suppliers enjoy a self-service model for onboarding and participating in sourcing events, while buyers gain access to a unified portal that simplifies every step of the procurement process. The platform promotes efficiency, transparency, and cost savings, transforming conventional procurement into a dynamic, data-driven experience.

Our Value Proposition

An AI-powered IP solution that digitizes and streamlines procurement processes, driving efficiency and delivering measurable business value to customers.

- Enables Centralized Procurement Platform for Large Enterprises
- Implementation at Group or Entity Level
- Application Built on Modular Framework
- Compliments Existing Enterprise Solutions
- Flexible Deployment Model: On-premises or On-cloud (ST)
- Perpetual Software Licenses; Unlimited Users - Buyers and Suppliers

Why ProcureZen?

Comprehensive Digitization

Streamlines the entire procurement lifecycle, reducing manual processes.

AI-Enabled Automation

Intelligent workflows that optimize sourcing, contracts, and supplier performance.

Enhanced Collaboration

Integrated buyer-supplier portals for seamless communication and engagement.

Secure & Compliant

Adheres to industry-standard web application security protocols.

Proven Success

Successfully deployed for over 20+ marquee clients globally, delivering measurable business value.

The platform enables suppliers to use a self-service process for registration and participation in sourcing events and related activities. It also offers an eCommerce platform that fosters seamless collaboration between buyers and suppliers, breaking away from traditional procurement practices.
